**Source Chunk 2 (Page 3)**
From our first food order to
tens of millions each month,
Swiggy has become part of
India’s daily rhythm,
delivering convenience
and spreading joy.
As we expand faster and
further, we continue to
reimagine urban convenience
through customer-backward
innovation and operational
excellence; while supporting
our delivery partners,
restaurant, merchant and
brand partners, communities
and the planet with care and
responsibility.
Joy
Every day.
To every door.
For everyone
we serve.
